

Thursday Couples Rules of Play

1. Standard Scramble Rules

1. 2-Player Scramble: Pick the best shot and play from that location.
2. You may move your ball ONE (1) club length in the fairways and rough.
3. You may move your ball ONE (1) putter head length on the green. (no closer to the hole)
4. **YOU MUST HOLE OUT ON EVERY HOLE!** There are no "GIMMIES"
5. Please turn your scorecard in at the end of your round.
6. Make sure to verify the other teams score at the end of each round.

SCORING:

2. **ONLY WRITE DOWN WHAT YOUR TEAM SCORED ON A HOLE.** The Golf Shop will determine the allocation of handicaps on different holes. So, in other words, the Golf Shop will figure out your net score. You are required to record your gross team score per hole and total gross score.
 1. WIN A HOLE = 2 points
 2. TIE A HOLE = 1 point
 3. LOSE A HOLE = 0 points—Maximum points in a week: 20 points
3. **THE FIRST WEEK IS A "Practice" WEEK.** To better determine each teams handicap, the first week will be practice. This will benefit all teams.
4. There will be a full 1st half schedule available after this week. Please make sure you can make it to each Thursday night league session. If you cannot make it each week, please do your best to make up the match with that particular matchup in the week you cannot attend. It will hurt both teams if a group does not play a match.
5. Team handicap determination is still being finalized. That is why there is a practice week in week #1. We want to make this as fair as possible, so, we will have the full handicap determination available to you next week.
6. We are going to do our best to make this as fair as possible. There are quite a few challenges with a scramble league.
